TRACKPOWER 2024

DUNC GRAY CYCLE TRACK
SEIFFERT OVAL
FAITHFULL ST, GOULBURN
SATURDAY 3 FEBRUARY 2024

Welcome to Trackpower 2024

Thank you for supporting Trackpower.

We hope you enjoy our carnival and that you will continue to support Trackpower and other country carnivals. We need them more than ever to ensure that track cycling, and country carnivals, survive.

Our loyal sponsors make it possible. Some have been with us for many years and we thank them for their continued support. What we lack in size as a club, we more than make up with the assistance and enthusiasm from our members and supporters.

Enjoy your day and be COVID safe.

Goulburn Cycle Club

HANDICAPS WILL BE POSTED AT THE CARNIVAL

So that the carnival can run smoothly, and be more enjoyable for you, we ask you to please observe the following;

- Entry to and from the track is via the main gate only, not over the fence
- Be at the entrance gate well before the end of the race prior to your event
- Wind down is 1 lap only, do not pass the exit gate
- Riders or handlers are not permitted to cross the track while a race is in progress, penalty is 'exclusion from your next event'
- Please have your handler ready when required. Riders entering the track without a handler when required will be withdrawn from the event. If you do not have a handler, please ask well before your event and we will arrange one.
- Numbers, two, should be placed on your left hip and middle of lower back
- To make our clean up easier we would appreciate you placing all rubbish in the bins provided
